THE MARBLE HILL PRESS.

SEVENTEENTH YEAR.

Marble Hill, Missouri, Thursday, November 11, 1897.

It is big odds on that Mark Hanna would be glad to swap senatorial chances with Joe Blackburn.

Tan d-d fools in Ohio are not all dead yet .- Ben Adams' republican Cape Girardeau Democrat. Yes, we noticed that, Ben.

THE "falling of the stars," in 1833, was described by those who witnessed it, as grand and beautiful. A similar spectacle is scheduled for next Sunday morning, the 14th

THE Georgia legislature has pass ed an amendment to the game laws treated political matters as he would of that state for the protection of a cargo of Lake Superior ore-how the 'possum-and we give it out much bid? cold that a similar law must be enacted in Missonri

SCOTT WILKINSON has sold the Jackson Comet to Walker & Mitchell. The name will be changed to the Herald and the political leaning is to be dug out of "the middle of the road" and dumped onto the republicans.

THE new editor of a Georgia paper announces himself thus: "Here we stand, black and dirty, with 'broken' shirt and minus one suspender, but we have a brand new pair of scissors and the people are sure of getting a readable paper."

E. J. WHITE of Bernidji, a pio neer trapper and hunter of Minne sota, stakes his reputation on the prediction of a cold winter. He says the wild animals, deer particwlarly, have especially thick coats this year, and that the muskrats are building their houses high and with thick walls-signs which, he says, have never failed within his experience.

WE venture the assertion that no judge in the state has a stronger hold upon the people of his district than James D. Fox .- Marble Hil

If the judge has not been mis quoted, ho wever, he has, to the disappointment of many of his friends, a pretty strong hold on the single standard .- Jackson Cash-

If there is a public man in south east Missouri who is a stronger advocate of the principles enunciated in the Chicago platform, or who is Bryan than Judge James D. Fox we have yet to meet him. Some fellow has been "talking through his hat" to the Cash-Book when old man Mc. was suffering with bil-

St. Louis Republic: Ex-State Senator M R. Smith of Farmington is in the city on legal business and is stopping at the Southern. He is attorney for the St. Louis, Cape Girardeau and Fort Smith railroads, and of late years has been too busy to mix up much in politics. He was a member or the Senate in 1887 during the long contest over freight rate legislation and established quite a fame over the state on account of the ability he displayed. Several times since that date he has been arged to ask the democratic nomi nation for congress in his district

but has always declined. Cape Guzette: The Jackson peo ple, we learn, are fayorably inclined toward building an electric railroad from the Cape to Jackson. Our street railroad company should lock into this—it will certainly pay. A liberal amount can be obtained subscriptions and, if the road is well equipped, bonds can be sold with out difficulty in the cast. This road would be a big advantage to Jack son merchants, for it would enable them to get all their goods by river It has been figured that first-class freight can be put in Jackson from St. Louis via The Cape and Jack son electric railroad at 30 cents per 100 lbs. and possibly less. Pienty of Eastern money is seeking invest-

principal towns? Cape Democrat: Henry Unner stall and Miss Kstie Steimel will be united in marriage at St. Mary's
